Greetings Fabulous Faith Community,

We pray that all is well with you and your family. With the heightened awareness and public concerns regarding the spread of the coronavirus (COVID-19), we want to assure you that public health is a priority for us. We care about your soul and we care about your safety. Our leaders are monitoring the latest news regarding COVID-19. We are taking all precautionary measures to provide a safe and healthy environment for our congregation and everyone who visits New Mt. Moriah. During this time, as believers, we will not fearfully panic, but we will **fervently pray** and **faithfully prepare**. We are providing the following guidelines for your consideration as a church family. We believe that these guidelines will allow us to collectively and individually be prepared appropriately.

#### **WHAT WE ARE DOING**

- We will be very intentional about providing a clean, sanitary environment for people to meet and worship God. We will go above our normal cleaning of restrooms, touchpoints.
- We will have sanitation stations available throughout the church.
- We will be suspending hugs, handshakes, and holding hands and will instead use fist/elbow bumps.
- We will provide Digital tutorials for those who need help connecting online.

#### **WHAT YOU CAN DO**

- We encourage you to wash your hands frequently for 20 seconds with soap and water.
- Avoid touching your eyes, nose and mouth with unwashed hands.
- Engage in respiratory etiquette by coughing in the bend of your elbow.
- **If you are sick and experiencing symptoms of COVID-19, stay at home and contact your doctor.** You can still participate in worship because our service will be available to watch by visiting our Youtube page, Facebook Live, or Website.
- Beginning the 1st Sunday of April, you will be able to give electronically via Pushpay.
- Continue to pray for those impacted by COVID-19. Also pray for all healthcare workers.

We believe God will sustain us during this time. **We stand on the promise of Isaiah 41:10.** As more information and awareness is made available, we will continue to provide communication and updates as necessary.

Peace and Favor,  
Pastor Mike
